

# Folding/Nesting Training Tables

## Folding. Nesting. Mobile.

Flip-Top Training Tables allow quick setup and change of table configurations to address any event. Easily convert from training to classroom to conference room configuration. Tables also fold/nest for space savings when not in use.

One-touch flip mechanism can be activated from either end of the table. Top locks into position when upright or horizontal.

All-steel frames feature modesty panel and full-length top support. Each includes (4) oversize locking casters designed for use on all floors.

Tops are 1" thick laminate with smooth, impact-resistant PVC edges. Underside includes metal inserts for included ganging clips.

Comprehensive selection of folding/nesting chairs available.

### Ganging Feature

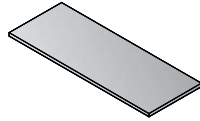

Easy-to-reach, easy-to-secure Ganging Clips are included with each base. Thin-profile design is barely visible when installed. Located near table edges/corners for ease of use.

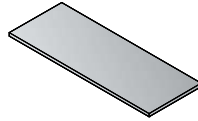

All Traing Tables have achieved GREENGUARD Certification
