

## Systems IN STOCK

Full-featured,  
contract-quality  
systems furniture  
backed by a limited  
lifetime warranty.

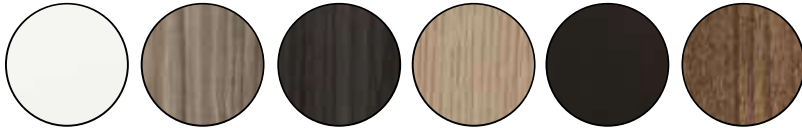

- Recyclable metal materials
- Powdercoat finishes
- Re-usable metal-to-metal connections
- Glass panels with real glass
- Strong core construction
- Meets ANSI/BIFMA
- UL approved, including electrical and fabric
- 100% polyester UL-recognized (UR) fabric
- Installer-friendly, rod-and-block assembly
- IN STOCK

**Systems IN STOCK** electrical is designed specifically for the system and is both UL Listed and CSA Certified. It is an 8-wire, 4-circuit system with 3 open, 1 dedicated circuit to support any power/data requirements. Power can run through panels and connectors. Ceiling and base feeds are available. The flush-design, black raceways feature steel bases, scratch-resistant resin covers and adjustable glides.

*Soft-Close base features 200 lbs. weight capacity (evenly distributed, top included)*

*Single-lever, dual-cable actuator for securing top.*

## Make the most of every meeting anywhere in the office!

Introducing a glassboard with so much more:

- Mobile
- Write/erase side ... also magnetic
- Tackable side
- Large 40"Wx72"H usable area

### MMGB4072-B

#### Mobile Magnetic Glassboard

White tempered glass

Markers, eraser and magnetic holder included

Color magnets included

Tackable Grey PET Felt on reverse side

Black metal feet and edges

Locking casters

40"W x 24"D x 72"H

**\$2,750**

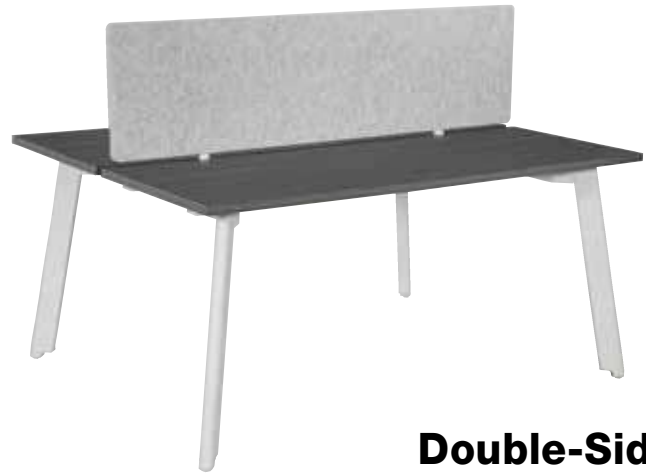

*Grey PET Felt is both tackable and acoustical, performing two functions at the same time!*

# Modern. Modular. Multipurpose.

ENGAGE™ desking combines clean, open-leg style with modular components that can be configured in both freestanding and build-to-length configurations. Primary and Add-On frames in 4', 5' & 6' widths are triple-rigid with metal legs, metal channel and metal cross-member supports. All support 24" and 30" deep worksurfaces. Tackable/Acoustical divider screens slide over tubular metal posts for superior rigidity.

## Double-Sided

ENGAGE™ excels in collaborative environments and multi-user areas as well as popular touchdown and hoteling applications. Double-sided units combine one frame and two worksurfaces with area between for wire management as well as attachment of divider screen hardware. Tackable/acoustical divider screens recommended.

## Single-Sided

ENGAGE™ features a low-profile center channel that doubles as a wire-management trough and conceals wires and/or electrical system from view. Single-sided units, comprised of one frame and one worksurface, provide flexibility for a variety of applications. Add tackable/acoustical divider screens in 4 color options as well as monitor arms and power modules.

## Versatile

Designed with primary + add-on modularity, ENGAGE™ provides optimum flexibility and dollar-saving practicality. With modern silver and white finishes and 4 matching commercial-grade laminate worksurface finishes, ENGAGE™ can be combined with other wood/laminate casegoods, such as Napa Series in Urban Walnut as shown below.

**Casegoods IN STOCK**

## Double-Sided | Collaborative Spaces

Build-to-length, double-sided ENGAGE™ configurations create collaborative opportunities in clean, contemporary style. The low-profile center channel is designed to carry power/data to all users. Add tackable/acoustical divider screens for enhanced convenience. Combine with Office Star pedestals, lateral files, power modules, monitor arms and seating for a full-function office environment.

24D TOPS	2-persons	+ Screen	4-persons	+ Screen	6-persons	+ Screen
4'	\$1,940	\$2,405	\$3,430	\$4,360	\$4,920	\$6,315

6'	\$2,650	\$3,245	\$4,900	\$6,090	\$7,150	\$8,935

### Single-Sided | Space-Efficient

Whether freestanding in open space or along a wall, single-sided ENGAGE™ configuration provide flexibility to maximize every square foot of your office space. Both 24” and 30” deep worksurfaces are supported by the same frame, allowing flexibility both today and in the future. Worksurfaces and frames are available to create 4’, 5’ and 6’ wide units.
