

Systems IN STOCK

Full-featured,
contract-quality
systems furniture
backed by a limited
lifetime warranty.

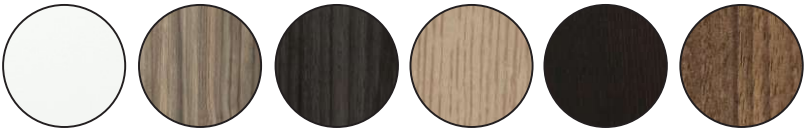

- Recyclable metal materials
- Powdercoat finishes
- Re-usable metal-to-metal connections
- Glass panels with real glass
- Strong core construction
- Meets ANSI/BIFMA
- UL approved, including electrical and fabric
- 100% polyester UL-recognized (UR) fabric
- Installer-friendly, rod-and-block assembly
- IN STOCK

Systems *IN STOCK* electrical is designed specifically for the system and is both UL Listed and CSA Certified. It is an 8-wire, 4-circuit system with 3 open, 1 dedicated circuit to support any power/data requirements. Power can run through panels and connectors. Ceiling and base feeds are available. The flush-design, black raceways feature steel bases, scratch-resistant resin covers and adjustable glides.

Black metal feet and edges

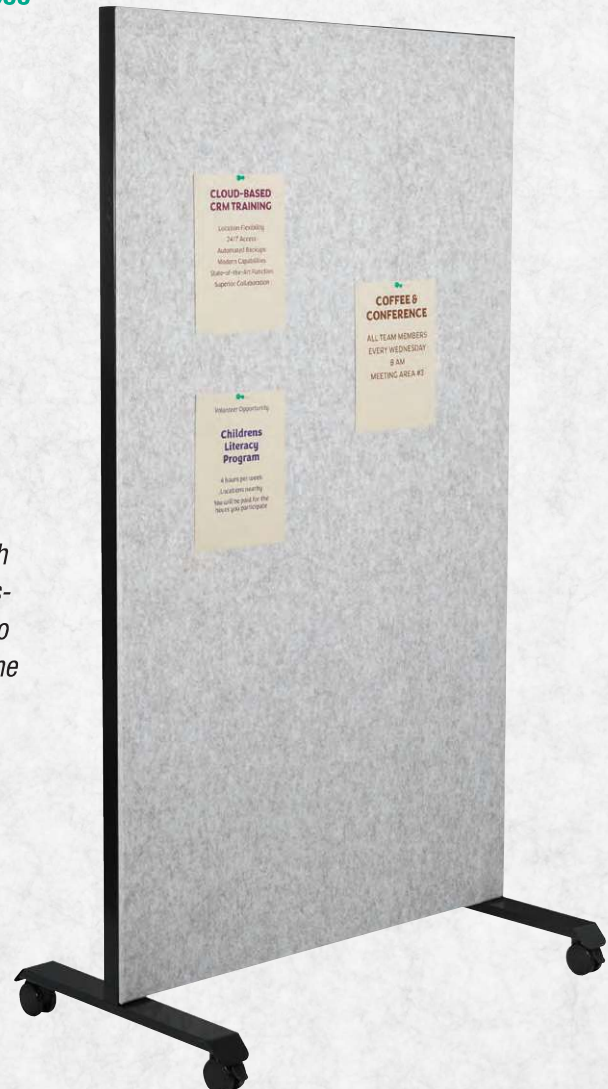

Locking casters

40"W x 23.5"D x 72"H

\$2,900

Grey PET Felt is both tackable and acoustical, performing two functions at the same time!

Modern. Modular. Multipurpose.

ENGAGE™ deskings combine clean, open-leg style with modular components that can be configured in both freestanding and build-to-length configurations. Primary and Add-On frames in 4', 5' & 6' widths are triple-rigid with metal legs, metal channel and metal cross-member supports. All support 24" and 30" deep workspaces. Tackable/Acoustical divider screens slide over tubular metal posts for superior rigidity.

Double-Sided

ENGAGE™ excels in collaborative environments and multi-user areas as well as popular touchdown and hoteling applications. Double-sided units combine one frame and two workspaces with area between for wire management as well as attachment of divider screen hardware. Tackable/acoustical divider screens recommended.

Single-Sided

ENGAGE™ features a low-profile center channel that doubles as a wire-management trough and conceals wires and/or electrical system from view. Single-sided units, comprised of one frame and one workspace, provide flexibility for a variety of applications. Add tackable/acoustical divider screens in 4 color options as well as monitor arms and power modules.

Versatile

Designed with primary + add-on modularity, ENGAGE™ provides optimum flexibility and dollar-saving practicality. With modern silver and white finishes and 4 matching commercial-grade laminate worksurface finishes, ENGAGE™ can be combined with other wood/laminate casegoods, such as Napa Series in Urban Walnut as shown below.

Casegoods IN STOCK

Double-Sided | Collaborative Spaces

Build-to-length, double-sided ENGAGE™ configurations create collaborative opportunities in clean, contemporary style. The low-profile center channel is designed to carry power/data to all users. Add tackable/acoustical divider screens for enhanced convenience. Combine with Office Star pedestals, lateral files, power modules, monitor arms and seating for a full-function office environment.

24D TOPS	2-persons	+ Screen	4-persons	+ Screen	6-persons	+ Screen
4'	\$1,990	\$2,445	\$3,530	\$4,460	\$5,070	\$6,465

6'	\$2,710	\$3,305	\$5,020	\$6,210	\$7,330	\$9,115

Single-Sided | Space-Efficient

Whether freestanding in open space or along a wall, single-sided ENGAGE™ configuration provide flexibility to maximize every square foot of your office space. Both 24" and 30" deep worksurfaces are supported by the same frame, allowing flexibility both today and in the future. Worksurfaces and frames are available to create 4', 5' and 6' wide units.
